

Annual Report & Financial Statement 2006 - 2007 Season

**2007 Year
of the Surf
Lifesaver**

Nowra-Culburra SLSC

As the 2006/07 comes to a close it is with great pleasure that once again I can report a safe and successful season with no serious accidents or loss of life.

Our club has seen a continued increase in new members and patrolling members. All members both new and old have shown enthusiasm in their club activities and patrols.

This season we have seen most of our members pursue further awards and updating of their qualifications. This has possibly been our strongest

Year of patrolling in the 15 years I have been President.

The club members have shown keenness in all aspects of the Surf Life Saving movement and have had success at all levels of competition gaining Gold Medals at Club carnivals, Sydney Water, Branch, Country and State.

I would like to thank all our club members who have represented us on Branch Committees and at Branch Functions.

I would like to thank all members of the Branch clubs in their support and assistance that they have given to the Nowra/Culburra SLSC throughout the season.

Nowra/Culburra has enjoyed this season and has made many enjoyable friendships with all of the Clubs in the Branch.

In conclusion I would like to congratulate this years committee on a job well done and wish the next seasons committee all the success in the future.
